

## Lab for Apologia Exploring Creation with General Science

Grade level: 7-12

Time: 10:55 – 11:25

Teacher: Crystal Newman

Co-teacher: Lee Ann Rhienlander

Teaching Text: Apologia Exploring Creation with General Science (students need to purchase the book and do the book work AT HOME)

Supplies needed: Supply lists for the next module will be given in class.

Extra Cost: When extra cost will be incurred I will give ample warning.

Number of students: maximum \_12

Description:

This is upper level General Science

They will be responsible for reading the text and doing the unit work.

They will be given assignments for to be completed by the next session

It will also be helpful if they had aprons to cover their clothes.
