

Beginning Art

Teacher: Miguel Pimentel

Ages: 9 years & up

Time: 11:30 - 12:00

Number of students: minimum 3? maximum 10?

Teaching Text: I have a large quantity of art books, not sure which (if any).

Supplies needed: Paper, pencils, charcoal, smudge stick

Supplies provided: Some pencils, paper, charcoal

Extra Cost: (Black project board, tacky spray) if they can

Description: The class will go over basic elements of art from line to composition. There will also be a small element of portfolio building. Hopefully there would also be an exhibition.

This class will teach students: An appreciation of art, how to create images that are interesting, exciting, etc.

They will be responsible: For ~10 images (polished to the best of their abilities) on black project board (if at all possible)

It will also be helpful if: The students could take a little bit of home time to further polish their pieces chosen.
