This class is for students who have no or very little background with French. This class will teach students French culture, grammar, and vocabulary. We will practice speaking, writing, and listening to French in class. There will be a light amount of homework on what we learn in class.

They will be responsible for coming to class, participating in class activities, and completing assigned homework.

They will be given homework based on what is learned in class.

It will also be helpful if students practice Speaking and/or Writing French at home.
