This class will teach students about different countries and their cultures from around the world through any of the following: stories, food, music and other goods from that country/culture.

They will be responsible for participating, following directions so that the class will run smoothly and we can fit everything in. Also, I will let them know what country we will be exploring in the following class, so that if they have anything special from that country/culture that they can share/wear.

They will be given: any of the following: a sampling of food, a craft to do and take home, or a souvenir to keep.

It will also be helpful if: I could know if a child has any food restrictions. There will be no meat.
